Felix-Fechenbach-Berufskolleg
 des Kreises Lippe

a Technical College
 of the County Lippe

The **Felix-Fechenbach-Berufskolleg** occupies 4 buildings:

The departments Mechanical and Electrical Engineering are located in building 4. This building also houses the forum and the cafeteria.

The department of Foodprocessing / Housekeeping / Cosmetology can be found in building 3. Childcare is located in building 2.

The gymnasiums can be found between building 2 and 3.

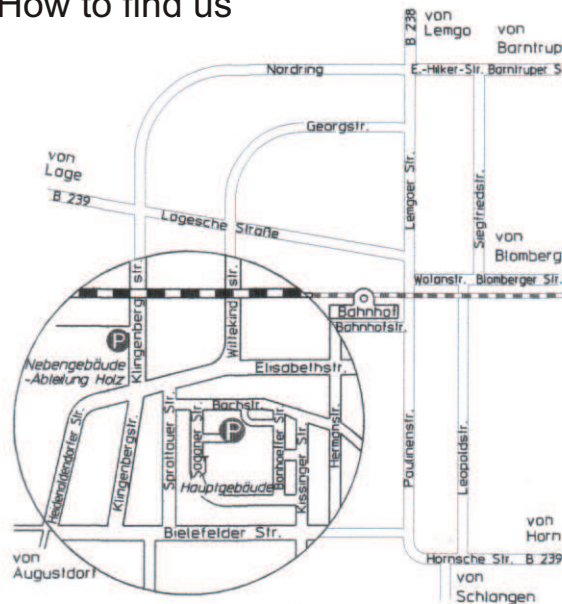

The admissions office is located in building 3.

The distance from the **FFB** to Detmold train-station is about 10 - 15 minutes by foot.

Director of the FFB: Mr. OStD Horst Klüter
 Vice-Director of the FFB: Mr. StD. Heinrich Hasse

Applications for fulltime classes are accepted until the 28th of February of each year. Applications for the Dual-System classes are submitted by the training companies.

How to find us

Overview
Statistics and Figures
2009/2010

The **FELIX-FECHENBACH-BERUFSSKOLLEG** (FFB) is one of the four vocational colleges of the County Lippe. It is located in several buildings of the Berufsbildungszentrums (vocational training center) at Saganer Strasse 4 in Detmold. The department of Woodtechnology is located approx. 800 m away from the main building at Klingenbergstr.2

The **FELIX-FECHENBACH-BERUFSSKOLLEG** is structured in departments, types of classes and fields of studies.

Four different types of classes are available:

- **BERUFSSCHULE** (Classes of the Dual-System of Vocational Training)
- **BERUFSSACHSCHULE** (Fulltime classes which provide basic skills)
- **FACHOBERSCHULE** (Fulltime Classes that provide the entrance level for Universities)
- **FACHSCHULE** (Classes for further and continued education)

The departmental structure of the **FELIX-FECHENBACH-BERUFSSKOLLEG**:

- **Mechanical Engineering**
- **Electronics**
- **Woodworks & Woodtechnology**
- **Foodprocessing/Housekeeping/Cosmetology**
- **Childcare**

In the academic year 2009/2010 1720 students attended the Dual-System Classes at 1 or 2 days per week or in blocks of several weeks. The other students (1314) attended one of the other types of classes listed above. Hence a total of 3034 students attended the **FFB** in the schoolyear 2009/2010.

128 teachers were employed at the college in the schoolyear 2009/2010 as well as 4 trainee-teachers and 1 language assistant from the USA.
